SMART BACKUP POWER · PV + BESS + IoT

Step into a Smarter, Cleaner Future!

A Game Changing Frontier of Smart Life in a Smart Building

SAVING SCOPE · 10 YEARS

BDT 43.99

LACS

The More You Run the More You Save. A D G Set only ever costs you more.

Cost of Energy

BDT PER kWh · LOWER IS BETTER

D G Set · OPEX		36.18
D G Set · OPEX + CAPEX		66.27
Smart · Solar		2.73
Smart · Solar + BESS		17.35

Figures based on Package No. 1 — 40 KVA D G Set replaced by 30 kW BESS, 65 kWh and 10 kW solar.

Why Choose Smart Backup Power?

ECONOMICAL

Groundbreaking low cost energy with efficiency and longer trouble free life.

SMART FEATURES

Real time monitoring of battery charging/discharging, power consumption, and savings with Smart Power System.

SUSTAINABILITY

Achieve Zero emissions and reduce your carbon footprint.

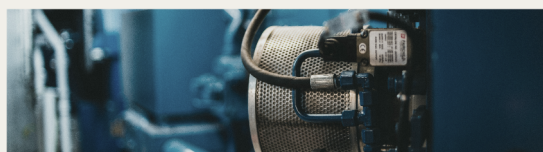

CUSTOMIZABLE

Bespoke design to your needs.

Say Goodbye to Diesel Generators
Choose Smart Backup Power Today!
